Customer Service

PROFESSIONAL EXPERIENCE

Front Store Associate **2021 - 2022**
CVS Pharmacy

- Provide excellent customer service while managing cashier transactions, including processing payments and handling customer inquiries
- Stock shelves and maintain inventory, ensuring products are properly organized and replenished as needed
- Sell over-the-counter medications, providing product information and recommendations in line with company policies and regulations

Shift Lead **2022 - 2023**
Auntie Anne's

- Oversee store closing procedures, including cash reconciliation, inventory checks, and ensuring store security
- Supervise and train new team members on food preparation, customer service, and adherence to health standards
- Perform cashier duties, processing transactions and providing excellent customer service

Front-End Specialist / Technical Support Assistant **2023 - 2025**
Forever 21

- Operated as lead cashier, managing daily transactions, customer inquiries, and training new staff.
- Acted as in-store technical support, troubleshooting and resolving POS system issues, printer malfunctions, and software glitches.
- Collaborated with external IT support when necessary and documented recurring technical problems for future reference.
- Underwent training for a managerial position, taking on leadership tasks and supporting store operations beyond front-end duties

Sales Lead Associate **2025 - Present**
Olympic Supply Inc

- Lead and supported front-end operations across three stores, including shift supervision and team coordination
- Deliver excellent customer service with strong upselling skills to consistently drive sales
- Manage inventory control, stock replenishment, and product organization to support smooth operations
